- Friday school **January 19** from 8-12 PM.

Snowflake Haiku

Intricate patterns

Like some finely tatted lace,

Beauty and pure grace.

—Cynthia B. Turner

Snow Day Policy!

The weather definitely has a bite in the air now. It is that time of the year, winter! With it comes the ever present question of...snow days!!! Since I am new to this school, I wanted to inform you of my policy for snow days, and how the decision to cancel or delay school will be made. We have a few days already included in our year that allow for the cancellation of school due to weather. Therefore, if we do not exceed that number, we will not have to extend the school year in June. However, if we do, we will adjust accordingly. Snow days, or school cancellations due to snow and weather, will happen if the local public schools also cancel or delay. During winter weather where the roads may be icy and dangerous, there may be a two or three-hour delay to the start of school or the school day may be cancelled altogether. I will make this decision based on our local districts including South Umpqua School District, Roseburg School District, and Sutherlin School District. These districts post their cancellations on their websites, the local television channels, and on the radio. If you are wondering whether we will cancel, you may use these as resources. I will also call or text each of you to inform you of a delay or cancellation. I do make this decision early in the morning to allow you time to plan your day. Therefore, all decisions will be made by 6:30 AM. Please let me know if you have any questions.

What We're Studying for 3rd Quarter!

- The American constitution and revolution.
- Community Services.
- Physical science and chemistry
- **Reminder students: always study your spelling words and memory verse**

Oranges are for sale!!!! Please order through Mrs. Richards as soon as possible! \$30.00 per box! Benefits go to the school.
